

O SCALE CENTRAL®

WHO WE ARE, WHAT WE DO

O Scale Central® promotes and supports model railroading in O Scale 2-Rail (OS2R). O Scale is the same size as O Gauge (think Lionel). However, OS2R models are full 1:48 scale, operate on 2 rail track (which lends a more prototypical look to the models), and run on DC or DCC power. O Scale Central's internet home is OScaleCentral.com. Find us on Facebook at [Facebook.com/OScaleCentralSIG](https://www.facebook.com/OScaleCentralSIG).

O Scale Central is a non-profit 501 (c) (3) corporation. We are the National Model Railroad Association (www.nmra.org) Special Interest Group (SIG) for OS2R.

O Scale Central's website (OScaleCentral.com) has articles on how to get started in O Scale. Our Scale-Wide Product and Service Guide® is a free listing of manufacturers and vendors who make products and provide services for OS2R, including track, cars, locomotives, and more! O Scale Central has a calendar of upcoming events. It also has a list of clubs that model in OS2R. There are so many ways to enjoy the hobby. Visit our website to learn how you can get more out of O Scale 2-Rail!

O Scale Central® is a membership organization that supports current OS2R modelers, promotes OS2R at train shows and educates people about O Scale. When you join OSC, your dues support the member benefits we provide. They also help maintain our public website and programs which support O Scale.

OSC also publishes a quarterly Journal, *The Coupler* and a monthly Newsletter *The Drawbar*, all of which are member-exclusive.

OSC produces a monthly online program with OS2R-specific news, interviews and updates,. We maintain a

Membership Directory that is voluntary and password protected to connect our members and greater OS2R community. In addition, OSC also provides members with liaison for OS2R manufacturers, show sponsors, and O Scale 2-Rail clubs.

If you are interested in O Scale 2-Rail, want to join O Scale Central®, or have any questions, visit our website (OScaleCentral.com) or contact Ken Nesper at secretary@oscalecentral.com.
